

## BBQ Party Boat for Sale

ITEM NO.: UL-3200

### BBQ Party Boat Introduction:

**BBQ Party Boat** is the new fashionable water leisure equipment warmly welcome by all the customer from all over the world.

BBQ Party Boat is a floating device with a barbecue grill to enable a unique water dining experience as you cruise along the picturesque waters. It's made of high-end fiberglass so it can seamlessly glide over water. It is electrically powered so it hums along quietly, has a Bluetooth music system and speakers for wireless smartphone music and a charcoal barbecue facility in the center for you to cook up a storm for your guests.

The centerpiece of the BBQ Party Boat is a table with a cavity that transforms from a drink cooler into a charcoal grill, so everyone can cook his or her own food (or one person can man the flames). The boat even has colorful LED lighting options so you can party all night long. Just bring along your favorite booze and cookout foods and you're set for barbecuing on the water!

Whether a bachelor party or candlelight dinner in the BBQ Party Boat: With the innovative extras you can offer customized booking packages. Thus, each BBQ Party Boat becomes a unique event. This assures you a new kind of attention and at the same time, you can take different advantages of the profitable rental options.
